

International Order Of The Knights Of Saint Luke

Journal Form For Knights of the Order First Class, Commander

Today's Date:

Did I take advantage of every evangelistic opportunity I had today?

Was I prepared materially with such materials as tracts or a Bible available?

Was I prepared mentally with answers to Biblical questions?

Was I prepared emotionally and spiritually through regular scheduled prayer for the demands of evangelical activities?

Did I reflect the love of Christ, or did I do or say something that may have caused the individual to actually "tune out" the message? (give details)

Did I lead someone to Christ? (if so, Praise God!)

If not, what could I have done differently?
